Thanks. The climate change section had a typo in it. Wondering if Michal would want to talk about

Ex. 5 Deliberative Process (DP) I am fine with the document if BEAD is.

Comms shared Michal's talking points for the RDD meeting and is asking for OPP review and clearance by 4pm today. The topics for OPP include C&T, Dicamba, PFAS. I had a few edits to the C&T section and ran it by Carolyn and Ryne. Are you ok with this?

Do you think this needs OGC review?
